The Board of Directors and the Officers of the CCFR wish to thank you in advance for your attendance and participation in this historic event. The last year has been a whirl-wind of success and our members really make the difference.

The Canadian Coalition for Firearm Rights is a volunteer organization representing the Canadian firearm owning community. Our vision is to maintain, protect and promote private firearm ownership. We have very quickly become the public relations arm of the Canadian firearms community with advocacy through education.

With your continued support, this is not only possible, but inevitable.
